Sara Munro – Company of Strangers

Since its inception in 2008, Company of Strangers has seduced a cult following with a proudly 100% New Zealand made range of high quality garments, leather and jewellery. Referencing art, architecture and rock 'n' roll muses as inspiration, Company of Strangers symbolises the ability to appear darkly subversive, yet still capable of being romantic.

Company of Strangers can be found in many fashion boutiques throughout New Zealand and Australia, including our flagship store in our hometown Dunedin, New Zealand. The Company of Strangers Team- Sara Munro, Amelia Hope and Diane Rohtmetts also reside in Dunedin where they Dream, Design and Plot in South Island isolation.

Life is an echo.
What you send out, comes back.
What you sow, you reap.
What you give, you get.
What you see in others, exists in you.
Remember, life is an echo.
It always gets back to you.
So give goodness.
